Ninth-Twelfth grades—7:00pm Place—Gym

If you have not returned your *Memorandum of Understanding*, please bring it with you to Open House. These must be returned before your child can begin school. Also be aware of the following:

*A \$35.00 late fee will automatically be added to any bills that have not been paid by the 10th of each month. If you do not get paid until the 15th of the month, please let the Business Office know so that those late fees can be manually lifted.

*All students will be strictly held to the attendance and tardy rules that have been set forth in the handbook and *Memorandum*.

*All students will be strictly held to the 2.0 grade point average set forth in the handbook and *Memorandum*. If your child enters this year on probation, he/she must pull his/her grades up by the end of the first nine-weeks.

There has been some confusion over the clear and mesh backpacks for lower elementary. The *Memorandum* states that all students must have clear or mesh backpacks; however, several lower elementary parents have already purchased monogrammed regular backpacks. This year we will allow the regular backpacks for students sixth and below; however, all students in grades seven and above *must* have the mesh or clear backpacks.

On a note of celebration: our eleventh graders took the ACT before the end of school, and we had excellent ACT scores. The highest score was a composite of 32, with one-third of the class having 22 or above. We are looking forward continuing our success during our 2015-2015 school year.

Sincerely,

Liz Rigdon
